## FIND MODERN LOVE WITH A MODERN MATCHMAKER

Blind dates haven't worked, neither has the internet or hanging out at the local bookstore or bar. You want to try something new, but what? Maybe it's time to bring in a professional matchmaker? Matchmakers are back and better than ever, and this handbook from the experts at the Matchmaking Institute explains everything you need to know to choose and use one. Learn about the matchmaking process, how to make the most of it, and exactly how your matchmaker can make you the perfect match. Finding a true companion is no easy task, but as you read the "happily ever after" success stories included here, you'll realize that matchmaking is an intelligent, practical—and fun—approach to modern dating. The Matchmaking Institute even provides a selected list of recommended matchmakers so you can get started right away. What are you waiting for?

THE MATCHMAKING INSTITUTE is dedicated to introducing singles to certified and professional matchmakers in a confidential, safe, and secure manner, and training those who wish to become certified matchmakers following a strict code of ethics and standards. LISA CLAMPITT is executive director of the MATCHMAKING INSTITUTE.
